

Excellent Customer Service

I signed up for clark in early october, and John was assigned to my residence. Since then, he has made every effort to ensure we are satisfied with the job he has done. If i ever have a problem such as ants, weeds that didn't die after a spray treatment, he makes himself available and comes out to correct our issues with a smile.

In addition,

John is always so nice to myself, my children, and my three dogs.

Because of his excellent service, we plan to be lifelong Clark customers!! THANK YOU JOHN!!!

Sinceraly,

Marisha T.
