

Thanks Clark of Lodi, CA.

I would like to thank our service tech Luis for doing such a wonderful job all of these years. We have been receiving pest control services at our Manteca home since 2004 and are very pleased with his friendly smile and wonderful quality of work. He is always on time and does a very nice job. My kids enjoy watching him from the windows and always look forward to seeing "Our Clark Man".

Happy Holidays!
Patricia
